Welcome to CharityFest 2011. CharityFest was created at La Cantina in 2009 as a way of supporting & giving back to charity each year, while still enabling you, the customer to have a great meal and some fun at the same time.

Each year we donate to 3 chosen Charities, 10% of the restaurant's entire takings for the CharityFest period. The chosen charities change each year, so we can support as many worthy causes as we can. Charities that have benefited from CharityFest contributions in the past include: Jersey Hospice, Cancer Research, & Jersey Samaritans.

We would like to thank our generous suppliers and customers who have helped to finance the marketing & printing costs associated with advertising CharityFest 2011.

For 2011 the chosen charities are:

Jersey Women's Refuge

We hope that you enjoy our delicious food, have a great time and also donate generously to these wonderful charities.
